I'm still dreamin', but not like before
Though I'm dreamin', I'm lonely no more
I've found the one, the only one to make my dreams
come true
I'm still dreamin', but only of you

No more searchin' for love that is true
No more searchin'; what good would it do?
I've found a love, a tender love; my lonely days are
through
No more searchin', for now I have you

Heaven sent an angel to make my dreams come true
& I found that angel the day that I met you
I'm still dreamin', & each time I do
I keep dreamin', but only of you
I've found the one, the only one to make my dreams
come true
I'm still dreamin', dreamin' of you
