When I was a little bitty baby my mama would rock me  
in my cradle

In them old cottonfields back home

When I was a little bitty baby...

Now when them cotton bolls get rotten you can't pick  
very much cotton

In them old cottonfields back home

It was down in Louisiana just about a mile from  
Texarkana

In them old cottonfields back home

[ guitar ]

When I was a little bitty baby...

When I was a little bitty baby...

In them old cottonfields back home in them old  
cottonfields back home
