I look in her eyes, wishing they were yours
I pretend they're your lips when I'm kissing hers
But where's that oh thrill, the thrill that we had?
It isn't there, it isn't there, it isn't there

I say I need her; I wish it were true
I wish she were someone I could love like you
But something's missin', that certain feelin'
No it isn't there, it isn't there, it isn't there
Without you

(instrumental)

Darlin', say you're willin', & we'll start all over
'Cause It isn't there, it isn't there, it isn't there
Without you
