Written by Ernest Tubb & Billy Tubb
(As recorded by Ernest Tubb and Johnny Cash)

Don't ever kiss no one but me
If you do, dear, you'll break my heart
It's not because I doubt you
But I'm such a fool about you
I've got a jealous lovin' heart

Now where there's love, there's jealousy
Good and bad just won't tear apart
They always go together
Like fair and stormy weather
I've got a jealous lovin' heart

You're all I want (You're all I want)
You're all I need (You're all I need)
Please don't tear my soul apart
Just say you love me, too, dear
Then be careful what you do, dear
I've got a jealous lovin' heart

Repeat first verse
