Johnny: Well, I'm gonna start out walkin' / just you wait  
and see

June: Uh-uh guitar picker / you ain't leavin' without me

Johnny: Oh, you big mouthed woman

June: You long-legged guitar pickin' man

Both: Well, we can work this out

Johnny: Uh-huh, yes ma'am, I think we can

Johnny: Well I stole the Hope diamond / hopin' I could  
shut your mouth

June: But how am I gonna wear it / if I got to hide it out

Johnny: Oh, you big mouthed woman

June: You long-legged guitar pickin' man

Both: Well, we can work this out

Johnny: Uh-huh, yes ma'am, I think we can

(Instrumental chorus-guitar solo; spoken banter)

Johnny: Well I bought you a first class ticket / for a  
luxury liner cruise

June: I got out in that ocean / looked around and there  
was you

Johnny: Oh, you big mouthed woman

June: You long-legged guitar pickin' man

Both: Well, we can work this out

Johnny: Uh-huh, yes ma'am, I think we can

Johnny: I bought you a big long limousine

June: But I don't want no car / I need my lovin' every  
day

Johnny: But you're still what you are

Johnny: You're just a big mouthed woman

June: You're a long-legged guitar pickin' man

Both: Well, we can work this out, uh-huh

Johnny: Yes ma'am, I think we can

(Singers banter to fade)
