When you wake up  
In the morning  
Baby look  
Inside your mirrow  
I won't be next to you  
You know I won't be near  
I'd be curious to know  
If you can see yourself  
As clear  
As someone  
That I've got on my mind  
Mama  
You've been on my mind

Well, perhaps it's the wind  
And the dark  
Dark night that's covering  
The crossroads that I'm at  
And maybe it's the weather  
Somethin' like that  
But mama  
You've been on my mind  
Mama  
You've been on my mind

Well  
I don't need trouble  
Please don't put me down  
I am not pleading  
I won't say I'll forget  
And I won't pace a floor  
Bout down  
And bent but yet  
Mama  
You've been on my mind

Even though  
My mind is hazy  
And my thoughts  
Where might be narrow  
Where you been

Don't bother me  
Or bring me down  
With sorrow  
It don't matter to me  
Where you  
Waking up tomorrow  
But mama  
You've been on my mind  
Mama  
You've been on my mind

(Repete 1 estrofe)

Mama  
You've been on my mind
