(Precious mem'ries)

Precious mem'ries unseen angel sent from somewhere
to my soul

How they linger ever near me and the sacred past
unfolds

Precious mem'ries how they linger how they ever flood
my soul

In the stillness of the midnight precious sacred seems
unfold

[piano]

Precious father loving mother fly across the lonely
years

And the old home scenes from my childhood in fond
memory appear

Precious mem'ries how they linger...

Precious mem'ries flood my soul
