(Run softly Blue River my darlin's asleep run softly Blue River run cool and deep)

Run softly Blue River my darlin's asleep run softly Blue River run cool and deep

Oh I thrill to her kisses and she thrills to mine

Run softly while she sleeps and dreams for a time

Cause she dreams of tomorrow when she'll be my wife

And I pray that as peaceful as you is our life

And if your murmuring soothes me till I'm sleeping too

Run softly Blue River we'll both dream with you

(Run softly Blue River my darlin's asleep run softly Blue River run cool and deep)

Oh I thrill to her kisses...

(Run softly Blue River my darlin's asleep run softly Blue River run cool and deep)

(Run softly Blue River my darlin's asleep run softly Blue River run cool and deep)
