You wired me awake
And hit me with a hand of broken nails
You tied my lead and pulled my chain
To watch my blood begin to boil

But I'm gonna break
I'm gonna break my
I'm gonna break my rusty cage and run

Too cold to start a fire
I'm burning diesel, burning dinosaur bones
I'll take the river down to still water
And ride a pack of dogs

I'm gonna break
I'm gonna break my
I'm gonna break my rusty cage and run

Hits like a Phillips head Into my brain
It's gonna be too dark
To sleep again Cutting my teeth on bars
And rusty chains,
I'm gonna break my Rusty cage and run

When the forest burns
Along the road Like God's eyes In my headlights
When the dogs are looking
For their bones
And it's raining icepicks
On your steel shore

I'm gonna break
I'm gonna break my
I'm gonna break my rusty cage and run
