So you gave up all between us for a glamorous career
And with all your talent you should be the big star of
the year

Then you'll be public property so I release my claim to
you

Go on and give 'em all you've got sing it pretty Sue
I can't take just part of you and give the world a half
So Smile for all the papers and give 'em autographs
Go on to all the cities so your public can see you
But I'll watch on television so sing it pretty Sue

[guitar]

I hope you'll soon be on the top of every hitparade
I'll try to be excited bout the progress that you've made
I'll collect your pictures like any fan would do
And I'll buy all your records so sing it pretty Sue
But I won't ever tell a soul that we have ever met
I'll just be one of millions who'll give the praise you get
And maybe every year or so I'll drop a card to you
To tell you I'm still listening so sing it pretty Sue
