Well, I'm a man who's got nothin' but sweet love on my mind

If you really gonna leave me, let me love you just one more time

Well, you know I love you baby, I need your lovin' bad

Well, give me some sweet love right this minute

Or you're gonna make me mad

I'm a man who's got nothin' but sweet love on my mind

Well, you love me then you leave me and I cry the whole night through

Yeah, you love me then you leave me and I don't know what to do

I need your little ol' arms around me to hold and squeeze me tight

But you just love and leave me girl and you know that, that ain't right

I'm a man who's got nothin' but sweet love on my mind

I'm a man who's got nothin' but sweet love on my mind

Well, now won't you love me baby, and I know I goin' to lose my mind

Well, you know I love you honey but you don't treat me right

Better give me just a little bit of your sweet lovin'

Or we're gonna have a big fight

I'm a man who's got nothin' but sweet love on my mind

Well, the river looks cold and the bottom is a long way down

If you really gonna leave me, that's where I'm gonna be found

When the mailman comes in the mornin', there's a note up on my door

Just bring my mail to the bottom of the river, I don't live here no more

I'm a man who's got nothin' but sweet love on my mind
