I got a pretty donner coat & a new pair of pants
& I didn't get off of the bus
I threw a set-4-set out in old L.A.
& the weather there was just too much
I met a sweet little chick, a real real swinger
She said she was a movie star
She took me home to a knock-out pad
& she fed me on caviar

CHORUS:

That's my Suzie, now people hear me say
She's my sweet sweet Suzie & I left her out in old L.A.

I got a Continental dual pair of import shoes
Now Suzie's got me dressed in style
With a credit card I bought an XKE
& made the California babes go wild
As time went by our love went old
& we didn't seem to have no cash
So I took me a bus & I went back home
Now Suzie baby's slingin' hash
