My friends all say, "How could you be so blind?"  
I never thought she was the cheatin' kind  
I lost my pride, & now I fear  
That I'm the fool of the year

Ring, ring the bells & spread the word around  
The king of fools has at last been found  
Let's get together & give a cheer  
For I'm the fool of the year

Get the blue ribbons, strike up the band  
Come see the biggest fool; believe me, here I stand

(x2):  
So you can see why I should get the prize  
Since I'm the one who fell for all her lies  
So clap your hands & I'll shed a tear  
You're lookin' at the fool of the year

You're lookin' at the fool of the year  
You're lookin' at the fool of the year
