What a beautiful thought I am thinking concerning the  
great speckled bird

And to know that my name is recorded on the pages of  
God's holy word

Desiring to lower her standards they watch every move  
that she makes

They long to find fault with her teaching but really she  
makes no mistakes

[ guitar ]

I am glad I have learned of her meekness I am glad  
that my name is on her book

For I want to be one never fearing the face of my  
Saviour to look

And when he come up descending from heaven on a  
cloud like he said in his word

I'll be joyfully carried to meet him on the wings of the  
great speckled bird
