I've got a pocketful of money  
Got my own car to drive around  
But since I lost your love, your precious, precious love  
Oh I'm the poorest boy, the poorest boy in town

I still buy all the latest records  
But they make such a lonely sound  
'Cause darlin', you're not there to hear them anymore  
So I'm the poorest boy, the poorest boy in town

Without your love I'm just a beggar  
Beggin' for your sweet sweet love again  
'Cause now I know that  
I really don't need any money  
Don't need a car to drive around  
Just tell me you still care & make a millionaire  
Out of the poorest boy in town

(instrumental)

Just tell me you still care & make a millionaire  
Out of the poorest boy in town  
Out of the poorest boy in town
