As long as I live if it be one hour
Or if it be one hundred years
I'll keep remembering forever and ever
I'll love you dear, as long as I live. It was easy said the
night we parted
That we'd forget we'd ever met
I haven't forgotten, I wonder if you have
Or if your heart is full of regret. As long as I live if it be
one hour
Or if it be one hundred years
I'll keep remembering forever and ever
I'll love you dear, (I'll love you dear) as long as I live.
Oh, I never thought that night we parted
That life alone would be oh, so bad
I know it sounds funny but I can't forget you
You're the only joy that I've ever had. As long as I live if
it be one hour
Or if it be one hundred years
I'll keep remembering forever and ever
I'll love you dear, as long as I live. I'll love you dear, as
long as I live...
