As long as the moon shall rise as long as the rivers flow
As long as the sun will shine as long as the grass shall
grow

The Senecas are an Indian tribe of the Iroquios nation
Down on the New York Pennsylvania Line you'll find
their reservation

After the US revolution cornplanter was a chief
He told the tribe these men they could trust that was
his true belief

He went down to Independence Hall and there was a
treaty signed

That promised peace with the USA and Indian rights
combined

George Washington gave his signature the
Government gave its hand

They said that now and forever more that this was
Indian land

As long as the moon shall rise...

On the Seneca reservation there is much sadness now
Washington's treaty has been broken and there is no
hope no how

Across the Allegheny River they're throwing up a dam
It will flood the Indian country a proud day for Uncle
Sam

It has broke the ancient treaty with a politician's grin
It will drown the Indians graveyards cornplanter can
you swim

The earth is mother to the the Senecas they're
trampling sacred ground

Change the mint green earth to black mud flats as
honor hobbles down

As long as the moon shall rise...

The Iroquios Indians used to rule from Canada way
south

But no one fears the Indians now and smiles the liar's
mouth

The Senecas hired an expert to figure another site

But the great good army engineers said that he had no
right

Although he showed them another plan and showed
them another way

They laughed in his face and said no deal Kinuza dam
is here to stay
Congress turned the Indians down brushed off the
Indians plea
So the Senecas have renamed the dam they call it Lake
Perfidy
As long as the moon shall rise...
Washington Adams and Kennedy now hear their
pledges ring
The treaties are safe we'll keep our word but what is
that gurgling
It's the back water from Perfidy Lake it's rising all the
time
Over the homes and over the fields and over the
promises fine
No boats will sail on Lake Perfidy in winter it will fill
In summer it will be a swamp and all the fish will kill
But the Government of the USA has corrected George's
vow
The father of our country must be wrong what's an
Indian anyhow
As long as the moon shall rise (look up) as long as the
rivers flow (are you thirsty)
As long as the sun will shine (my brother are you warm)
as long as the grass shall grow
