

Johnny Cash

"Brakeman's Blues"

Visit "[Brakeman's Blues](#)" on MotoLyrics.com

Portland Main is just the same as sunny Tennessee
Portland Main is just the same as sunny Tennessee
Any old place that I hang my hat is Home Sweet Home
to me

Well I went down to the depot and I looked up on the
board
I went down to the depot and I looked up on the board
It said there's good times here but it's better down the
road
