Well, it's plain to see you're givin' me a cold shoulder
You put a chill on every thrill with a cold shoulder
All the time I wait around to get a little squeeze
But nothin' ever happens 'cause she just stand there
and freeze

It ain't polite to waste moonlight on a cold shoulder
It isn't smart to give my heart a cold shoulder
I need your love to warm me through and through
But I always get a cold shoulder from you

All the time I wait around to get a little squeeze
But nothing ever happens 'cause she just stand there
and freeze

It ain't polite to waste moonlight on a cold shoulder
It isn't smart to give my heart a cold shoulder
I need your love to warm me through and through
But I always get a cold shoulder from you
