Country boy  
Ain't got no shoes  
Country boy  
Ain't got no blues

Well you work all day while you're waitin' to play  
In the sun and the sand, with a face that's tan  
At the end of the day, when your work is done  
You ain't got nothin' but fun

Country boy  
Ain't got no wills  
Country boy  
You don't owe no bills

You get a wiggly worm and then you watch him squirm  
While you put him on a hook and you drop him in a  
brook  
If everything's gonna turn out right  
You're gonna fry fish tonight

Country boy  
You got a lot to lose  
Country boy  
How I wish I was in your shoes

Country boy  
You got a shaggy dog  
Country boy  
Up a hollow log

Well he comes in a run, when you pick up your gun  
And with a shell or two and your dog and you  
When you get your rabbit, you'll skin his hide  
He's gonna be good fried

Country boy  
You got a lot to lose  
Country boy  
How I wish I was in your shoes

Country boy

You got work to do  
Country boy  
In the morning dew

You gotta plant the seed, you gotta cut the weeds  
There's many a row you know you gotta hoe  
When it's quittin' time, and your work is through  
There's a lot of life in you

Country boy  
You're lucky free  
Country boy  
I wish I was you and you was me
