It's not time to make a change
Just relax, and take it easy
You're still young, that's your fault
There's so much you have to know

Find a girl, settle down
If you want you can marry
Look at me, I am old
But I'm happy

I was once like you are now
And I know that it's not easy
To be calm when you've found
Something going on

But take your time, think a lot
Why, think of everything you've got
For you will still be here tomorrow
But your dreams may not

How can I try to explain
When I do, he turns away again
It's always been the same
The same old story

From the moment I could talk
I was ordered to listen
There's a way and I know that I have to go away
I know I have to go

It's not time to make a change
Just sit down, and take it slowly
You're still young, that's your fault
There's so much you have to go through

Find a girl, settle down
If you want you can marry
Look at me, I am old
But I'm happy

All the times that I cried
Keeping all the things I knew inside

It's hard, but it's harder
To ignore it

If they were right, I'd agree
But it's them you know not me
There's a way and I know that I have to go away
I know I have to go
