Well if I live to be a hundred
I know I can't forget the day
That I broke the heart you gave me
And let you walk away

That's when they hung my name in The Fool's Hall of
Fame

Oh baby since we've been apart I can't console my
heart
It cries the whole night long
Can I ever make you see the change you've made in
me
Oh baby let me tell you I was wrong

Oh honey say that you'll forgive me
And let me end this misery
Cause I know I'll keep on cryin'
Til' you come back to me

Don't leave me hear in shame in The Fool's Hall of
Fame

Oh baby since we've been apart I can't console my
heart
It cries and cries the whole night long
Oh can I ever make you see the change in me
Oh baby let me tell you I was wrong I was wrong

Oh honey say that you'll forgive me
And let me end this misery
Cause I know I'm gonna keep on cryin'
Til' you come back to me

Don't leave me hear in shame in The Fool's Hall of
Fame

Don't leave me hear in shame in The Fool's Hall of
Fame

Don't leave me hear in shame in The Fool's Hall of
Fame
