The girl from the canyon smiled a smile that brought  
me home

As sick and bleeding as I was she took me on her own

Brought me to the canyon where the sun poured down  
like rain

Her smiling eyes and the mountain light I thought  
myself insane

These hills have seen me runnin' till my horse could  
hardly stand

Hidin' by day in the mountains movin' with the moon on  
the land

I'm hoping to find my freedom in a world that wants me  
dead

The girl from the canyon took and healed my wounds  
instead

The girl from the canyon she don't need to know what I  
had done

She laughed with me in the moonlight till the morning  
brought the sun

The girl from the canyon the girl from the canyon she  
was the only one

An outlaw is a hunted one with a price upon his head

We're all outlaws in a way that is what she said

And so I left the canyon when I was strong enough to  
ride

The girl from the canyon she was riding by my side

The girl from the canyon..

She was the only one
