He turned the water into wine
He turned the water into wine

In the little Cana town
The word went all around that
He turned the water into wine

Well he walked upon the Sea of Galilee
He walked upon the Sea of Galilee
Shouted far and wide

He calmed the raging tide
And walked upon the Sea of Galilee

He turned the water into wine
He did my lord now,
He turned the water into wine

In the little Cana town
The word went all around
That he turned the water into wine

He fed the hungry multitude
He fed the hungry multitude
With a little fish and bread
They said, "Every one was fed, 5000"
He fed the hungry multitude

He turned the water into wine
He did, just a carpenter from Nazareth
He turned the water into wine

In the little Cana town
The word went all around
He turned the water into wine
He turned the water into wine
