He turned the water into wine  
He turned the water into wine

In the little Cana town  
The word went all around that  
He turned the water into wine

Well he walked upon the Sea of Galilee  
He walked upon the Sea of Galilee  
Shouted far and wide

He calmed the raging tide  
And walked upon the Sea of Galilee

He turned the water into wine  
He did my lord now,  
He turned the water into wine

In the little Cana town  
The word went all around  
That he turned the water into wine

He fed the hungry multitude  
He fed the hungry multitude  
With a little fish and bread  
They said, "Every one was fed, 5000"  
He fed the hungry multitude

He turned the water into wine  
He did, just a carpenter from Nazareth  
He turned the water into wine

In the little Cana town  
The word went all around  
He turned the water into wine  
He turned the water into wine
