Take the ribbon from your hair, shake it loose and let it
fall
Lay it soft against you skin, like the shadows on the
wall
Come and lay down by my side till the early mornin'
light
All I'm takin' is your time, help me make it through the
night

I don't care what's right or wrong and I won't try to
understand
Let the devil take tomorrow, for tonight I need a friend

Yesterday is dead and gone and tomorrow's out of
sight
It's so sad to be alone, help me make it through the
night
It's so sad to be alone, help me make it through the
night

Lead me through the night
Take me through the night
Help me through the night
