Don't be fool by big blue eyes by a smile or a golden  
curl

'Cause she'll love you now and then break every vow

'Cause she's just a honky tonk girl

Breaking hearts to her is just the way of having fun

She thinks every man's a fool and you're another one

She knows all the arts of love she'll give your heart a  
twirl

'Cause she's just a honky tonk girl

She can never change your ways though you'll give her  
all the world

She's had more than one or two and each day there's  
someone new

'Cause she's just a honky tonk girl

Breaking hearts to her is just the way of having fun

She thinks every man's a fool and you're another one

She knows all the arts of love she'll give your heart a  
twirl

'Cause she's just a honky tonk girl
