I saw you walking by his side
Heard you whisper all those lies
And I couldn't keep from crying

You sang him love songs tenderly
That should have been for you and me
And I couldn't keep from crying

I saw his eyes drinking your charms
While he held you in his arms
Him with all his wedding ways
Rules your heart now in my place

I stood and watched him steal a kiss
From two lips I know I'll miss
And I couldn't keep from crying

I saw his eyes drinking your charms
While he held you in his arms
Him with all his wedding ways
Rules your heart now in my place

I stood and watched him steal a kiss
From two lips I know I'll miss
And I couldn't keep from crying
