It don't hurt anymore, all my tear drops have dried,  
no more walking the floor with that burning inside,  
just to think it could be time has opened the door  
and at last I am free I don't hurt anymore.

No use to deny, I wanted to die,  
the day you said we were through  
but now that I find, you're out of my mind,  
I can't believe that it's true.

I've forgotten somehow,  
that I cared so before,  
but it's wonderful now,  
I don't hurt anymore.

No use to deny, I wanted to die,  
the day you said we were through  
but now that I find, you're out of my mind,  
I can't believe that it's true.

I've forgotten somehow,  
that I cared so before,  
but it's wonderful now,  
I don't hurt anymore.
