Well, I feel better all over more than anywhere else  
baby  
When I'm out with you  
Well, I feel better all over more than anywhere else  
When you kiss me like you do

Well, I am as wild as a buck everytime you cause me up  
You sure makes me feel like a wheel  
Well, I feel better all over more than anywhere else  
That's exactly how I feel

Oh, I feel better all over more than anywhere else  
When you whisper sweet nothings in my ear  
Oh, I feel better all over more than anywhere else,  
honey  
Anytime that you're near

Well, my heart beats double time when you hold your  
hand in mine  
You sure is a wonderful deal  
Well, I feel better all over more than anywhere else  
That's exactly how I feel

Oh, that's exactly how I feel
