You think, you know the smile on her lips  
The thrill at the touch of her fingertips  
But I forgot more than you'll ever know about her

You think, you'll find a heaven of bliss  
In each caress and each tender kiss  
But I forgot more than you'll ever know about her

You stole her love from me one day  
You didn't care how you've hurt me  
But you can never steal away memories of what used  
to be

You think she's yours to have and to hold  
But someday you'll learn when her love grows cold  
That I forgot more than you'll ever know about her

You stole her love from me
