I hardly ever sing beer drinking songs  
And when they play them cheatin' tunes, I never sing  
along  
I never ever sing the blues I've forgotten, born to lose  
And I hardly ever sing beer drinking songs

I hardly ever walk the floor and cry  
And I don't think I've ever said I feel like I could die  
I don't ever lay awake, I never think my heart will break  
I hardly ever walk the floor and cry

I hardly ever sing beer drinking songs  
I can't put much feeling in saying love is all gone wrong  
I don't lose no sleep at night 'cause things with you are  
going right  
And I hardly ever sing beer drinking songs

I never call your name out in my sleep  
You never make me worry and you never make me  
weep  
I never wonder if you're true, I spend a night curled up  
with you  
And I never call your name out in my sleep

I hardly ever sing beer
