When I was a little bitty baby my mama would rock me  
in my cradle  
In them old cottonfields back home  
When I was a little bitty baby...  
Now when them cotton bolls get rotten you can't pick  
very much cotton  
In them old cottonfields back home  
It was down in Louisiana just about a mile from  
Texarkana  
In them old cottonfields back home  
[ guitar ]  
When I was a little bitty baby...

When I was a little bitty baby...  
In them old cottonfields back home in them old  
cottonfields back home
