The chimes of time ring out the news, another day is  
through  
Someone slipped and fell, was that someone you?  
You may have longed for added strength, your  
courage to renew  
Do not be discouraged, for I have news for you

It is no secret what God can do  
What He's done for others, He'll do for you  
With arms wide open, He'll pardon you  
It is no secret what God can do

There is no night for in His light we'll never walk alone  
Always feel at home, wherever you may roam  
There is no power can conquer you while God is on  
your side  
Just take Him at His promise, don't run away and hide

It is no secret what God can do  
What He's done for others, He'll do for you  
With arms wide open, He'll pardon you  
It is no secret what God can do  
It is no secret what God can do
