The chimes of time ring out the news, another day is
through
Someone slipped and fell, was that someone you?
You may have longed for added strength, your
courage to renew
Do not be discouraged, for I have news for you

It is no secret what God can do
What He's done for others, He'll do for you
With arms wide open, He'll pardon you
It is no secret what God can do

There is no night for in His light we'll never walk alone
Always feel at home, wherever you may roam
There is no power can conquer you while God is on
your side
Just take Him at His promise, don't run away and hide

It is no secret what God can do
What He's done for others, He'll do for you
With arms wide open, He'll pardon you
It is no secret what God can do
It is no secret what God can do
