I'm not the goin' steady kind
I miss 'em all, all the time
I told Annie, I'll be true
But I still think about Katy too

Katy too, Katy too
I still think about Katy too

If you should see Miss Mary Ann
Just tell her I'm her lovin' man
Give my love to Jane and Sue
But don't forget ol' Katy too

Katy too, Katy too
Don't forget ol' Katy too

I like Saddle's chicken stew
And Susie's good at pitchin' woo
I like Mary's barbecue
But I still like ol' Katy too

Katy too, Katy too
I still like ol' Katy too

Now girls, I'm not the flirty kind
But I just can't make up my mind
I like to marry all of you
But I still miss ol' Katy too

Katy too, Katy too
I still miss ol' Katy too

To all the girls, I make this toast
I love you everyone the most
But don't ask me to say I do
'Cause I still miss ol' Katy too

Katy too, Katy too
I still miss ol' Katy too

Cupid you've been good to me
I've got more girls than I can see

But if you give me all but two
Then let's squeeze in ol' Katy too

Katy too, Katy too
Let's squeeze in ol' Katy too
