Brightly beams our Father's mercy from his lighthouse  
evermore

But to us he gives the keeping of the lights along the  
shore

Let the lower lights be burning, send a gleam across  
the wave

Some poor fainting struggling seaman, you may  
rescue you may save

Dark the night of sin has settled loud the angry billows  
roar

Eager eyes are watching longing for the lights along  
the shore

Let the lower lights be burning, send a gleam across  
the wave

Some poor fainting struggling seaman, you may  
rescue you may save

Trim your feeble lamp my brother, some poor sailor  
tempest tossed

Trying now to make the harbor in the darkness may be  
lost

Let the lower lights be burning, send a gleam across  
the wave

Some poor fainting struggling seaman, you may  
rescue you may save
