I got a gal in Dallas, I wave at when I go through  
I got a gal in Tulsa, that I toot my whistle to  
(Say how do)  
I got 'em all over the land, I'm a locomotive man

Left my heart in Omaha Omaha, and I never did quite  
get it back  
I got a Sue in Sioux City, waitin' by the railroad track  
(Keeps her money in a 'tater sack)  
I got 'em all over the land, I'm a Locomotive man

Well, I left a little switch engine, 'bout forty miles south  
of Bangor Maine  
Couldn't keep the wheels a turnin', shouldn't try to pull  
my train  
I got 'em all over the land, I'm a Locomotive man

Well, I had a gal in Jackson, and it sure broke my heart  
to turn her loose  
When I checked my time and moved on, she's hooked  
on my caboose  
I got 'em all over the land, I'm a locomotive man
