LORD, LORD, LORD

()

Lord ? Lord ? Lord, is there a place for me
In the scheme of things, in the service of the King
Lord ? Lord ? Lord, there is no job too great
As I grow in faith, there's no job too great

Lord ? Lord ? Lord, there is no road too long
?Cause you made me strong, there's no road too long
Lord ? Lord ? Lord, there's no stream too wide
With you by my side, there's no stream too wide

Let me help someone thru the darkest hour
Let me shine ? shine ? shine, like the beacon's tower

Let my light be strong and myself be small
Let me know the truth that I'm one with all

Lord ? Lord ? Lord, there's no job too small
?Cause I'm one with all, there's no job too small

Lord ? Lord ? Lord, is there a place for me
In the scheme of things, in the service of the King
Lord ? Lord ? Lord, there is no job too great
As I grow in faith, there's no job too great

Lord ? Lord ? Lord ? Lord oh Lord ? Lord ? Lord
Lord oh Lord, Lord ? Lord ? Lord, oh Lord ? Lord ? Lord
Lord ? Lord ? Lord -Humming-
