We were just a plain ol' hillbilly band with a plain ol'
country style

We never played the kind of songs that'd drive
anybody wild

Played a railroad song with a stomping beat

We played a blues song, kinda slow and sweet

But the thing that knocked them off of their feet was,
ooh, wee

When Luther played the boogie woogie, Luther played
the boogie woogie

Luther played the boogie woogie, Luther played the
boogie woogie

Luther played the boogie woogie, Luther played the
boogie woogie

Luther played the boogie woogie

Luther played the boogie in the strangest kind of way,
play it strange

Well, we did our best to entertain everywhere we'd go
We'd nearly wear our fingers off to give the folks a
show

Played jumping jive to make 'em get in the groove

We played sad songs, real slow and smooth

But the only thing that'd make 'em move was, ooh, wee

When Luther played the boogie woogie, Luther played
the boogie woogie

Luther played the boogie woogie, Luther played the
boogie woogie

Luther played the boogie
