"My Treasure"

Visit "[My Treasure](#)" on MotoLyrics.com

I saved a lot of money my fortune was untold
And like a fool I idealized my silver and my gold

My earthly treasure's mounted but when I counted
through
I realized the treasure I had overlooked was you

My treasure unmeasured but forsaken of the treasures
that come from above
My treasure unmeasured but it don't hold a heart of the
one that I love

If I had my life before me if I could see it all
I'd stake my claim on things that are secured against
downfall

I'd work for earthly treasures like any man would do
But I set my sights much higher and I'd be sure that I
had you

My treasure unmeasured but forsaken of the treasures
that come from above
My treasure unmeasured but it don't hold a heart of the
one that I love
