Come hear me good brothers come here one and all  
Don't brag about standing or you'll surely fall  
You're shinin' your light yes and shine if you should  
You're so heavenly minded and you're no earthly good  
No earthly good you are no earthly good  
You're so heavenly minded you're no earthly good  
You're shinin' your light yes and shine if you should  
You're so heavenly minded and you're no earthly good

Come here me good sisters you're salt of the earth  
If your salt isn't salted then what is it worth  
You could give someone a cool drink if you would  
You're so heavenly minded and you're no earthly good  
No earthly good you are no earthly good  
You're so heavenly minded you're no earthly good  
You could give someone a cool drink if you would  
You're so heavenly minded and you're no earthly good

If you're holdin' heaven then spread it around  
There are hungry hands reaching up here from the  
ground  
Move over and share the high ground where you stood  
So heavenly minded and you're no earthly good  
No earthly good you are no earthly good  
You're so heavenly minded you're no earthly good  
Move over and share the high ground where you stood  
So heavenly minded and you're no earthly good  
No earthly good...
