Johnny

I believe my steps are growing wearier each day
still i've got another journey on my mind
lures of this old world have ceased to make me wanna
stay
and my only regret is leaving you behind

June

But if it proves to be his will that i am first to go
and somehow i've a feeling it will be
and when it comes your time to travel like wise don't
feel lost
for i will be the first one that you'll see

chorus

I'll be waiting On The Far Side Banks Of Jordan
I'll be sitting drawing pictures in the sand
and when I see you coming i will rise up with a shout
and come running through the shallow waters reaching
for your hand

Johnny

Through this life we labored hard to earn our meager
fare

It's brought us trembling hands and failing eyes

June

So i'll just rest here on this shore and turn my eyes
away

untill you come then we'll see paridise

repeat chorus twice
