On the road again  
I just can't wait to get on the road again  
The life I love is makin' music with my friends  
And I can't wait to get on the road again

On the road again  
Goin' places that I've never been  
Seein' things that I may never see again  
And I can't wait to get on the road again

Here we go, on the road again  
Like a band of Gypsies we go down the highway  
We're the best of friends  
Insisting that the world keep turnin' our way

And our way is on the road again  
I just can't wait to get on the road again  
The life I love is makin' music with my friends  
And I can't wait to get on the road again, break free  
And I can't wait to get on the road again
