One of these days I'm gonna sit down and talk to Paul  
One of these days I'm gonna sit down and talk to Paul  
I'm gonna ask him about his travelin'  
And he will tell me about it all  
One of these days I'm gonna sit down and talk to Paul

I'm gonna tell him I read all his books  
I'm gonna tell him I read all his books  
And that is sure was hard to follow down the same road  
that he took  
But I'm gonna tell him I read all his books

He'll introduce me to Luke and Timothy  
He will introduce me to Luke and Timothy  
I will be so glad to meet them and they will be glad to  
meet me  
He will introduce me to Luke and Timothy

One of these days I'm gonna sit down and talk to Paul  
(Talk to Paul)  
One of these days I'm gonna sit down and talk to  
Sit down and talk to Paul  
I'm gonna meet his friends in Heaven  
I'll be singin' with them all  
One of these days I'm gonna sit down and talk to Paul

One of these days I'm gonna shake that healing hand  
One of these days I'm gonna shake that healing hand  
That hand that raised up Uticus, that old sleepin', fallen  
man  
One of these days I'm gonna shake that healing hand

I know just how he felt locked in that jail  
I know just how he felt locked in that jail  
And I bet that him and Silas will have quite a tale to tell  
I know just how he felt locked in that jail

One of these days I'm gonna sit down and  
Sit down and talk to Paul  
One of these days I'm gonna sit down and talk to  
Sit down and talk to Paul

I'm gonna ask him about his journeys  
And he will tell me about them all  
One of these days I'm gonna sit down and talk to  
Sit down and talk to Paul
