When you're all alone and blue  
No one to tell your troubles to  
Remember me, I'm the one who loves you

When this world turns you down  
Not a true friend can be found  
Remember me, I'm the one who loves you

And through all kinds of weather  
You'll find, I'll never change  
Through the sunshine and the shadows  
I'll always be the same

We're together right or wrong  
Where you go I'll tag along  
Remember me, I'm the one who loves you

And through all kinds of weather  
You'll find, I'll never change  
Through the sunshine and the shadows  
I'll always be the same

We're together right or wrong  
Where you go I'll tag along  
Remember me, I'm the one who loves you
