Many years ago in days of childhood I used to play till  
evening time would come

Still winding down that old familiar pathway I hear my  
mother call at setting sun

Come home come home it's suppertime the shadows  
lengthen fast

Come home come home it's suppertime we're going  
home at last

Some of the fondest mem'ries of my childhood are  
woven around suppertime

When mother used to call from the backsteps of the old  
homeplace

Come on home now son it's suppertime my how I'd love  
to hear that once again

But you know time has woven for me a realization of  
truth that's even more thrilling

That someday we'll be called up to gather around the  
suppertable up there

For the greatest suppertime of them all with our Lord

I can almost hear the call now comin' from the portals  
of heaven

Come home son it's suppertime come on home

Come home come home...
