The crowd is waiting  
For the bullfight matador  
My final fight  
The place is packed once more

But Anita won't  
Throw me a rose this fight  
The one she wears  
Is not for me tonight

She's watching now with  
Her new love, I know  
Walk proud and slow

Be strong and sure  
And give the crowd their show  
They want blood, you know

You're still their idol  
As you were before  
Kill just one more  
Remind Anita you're  
The greatest matador

The time has come  
Forget Anita in the stands  
Be a tall and strong  
And brave and noble man

Be better than  
You've ever been before  
Make this your  
Greatest moment, matador

She's watching now with  
Her new love, I know  
Walk proud and slow

Be strong and sure  
And give the crowd their show  
They want blood, you know

You're still their idol  
As you were before  
Kill just one more  
Remind Anita you're  
The greatest matador
