We're goin' west to Kaintuck, down the road to  
Moccasin Gap  
Down the wilderness road, down the dug road, the old  
reedy creek road  
The road down troublesome, the road through  
Moccasin Gap

Well, it's a hot day in '73 and this is my wife and my kid  
with me  
Daniel Boone lost his boy the other day  
Young Jim Boone's dead, now twenty miles away

Well, if you love your wife and love your baby, man  
You better turn that wagon back as soon as you can  
Every Injun in them hills has gone berserk  
And you never gonna make it to Kaintuck  
Ah, I bet I'm gonna make it to Kaintuck

I'm goin' west to Kaintuck, down the road to Moccasin  
Gap  
Down the wilderness road, down the dug road, the old  
reedy creek road  
The road down troublesome, the road through  
Moccasin Gap
