You're gonna break another heart  
You're gonna tell another lie

Well here I am and there you go, you're gone again  
I know you're gonna be the way you've always been  
Breakin' hearts and tellin' lies is all you know  
Another guy gives you the eye and there you go

There you go, you're gone again  
I should've known, I couldn't win  
There you go, you're by his side  
You're gonna break another heart  
You're gonna tell another lie  
Because I love you so I take much more than I should  
take  
I want you even though I know my heart is gonna break  
You build me up and for a while I'm all a-glow  
Then your fickle heart sees someone else and there  
you go

Thre you go, you're gone again  
I should've known, I couldn't win  
There you go, you're by his side  
You're gonna break another heart  
You're gonna tell another lie
